

## What makes the Orizonte sofa stand out?

The sinuous springs make the seat more flexible and provide a perfect base for high-elastic foam.

The highly elastic foam used increases the strength and elasticity of the seat preventing deformation.

You have the opportunity to choose a fabric from dedicated collections, including fabrics that are easy to clean.

Mixed filling: Natural feathers and silicone balls and foam granules

The furniture is fully upholstered, so you can put it in the middle of the living room.

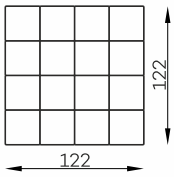

All dimensions of upholstered furniture are given with a tolerance of +/- 4 cm.
