Carmen

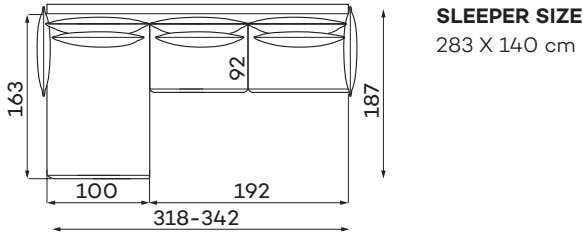

Carmen is a romantic model. Its romantic nature is created by the charming, wavy borders on the cushions. It has a unique property - its sides are movable and adjustable, letting you relax comfortably in a sitting or half-lying position. These are not all advantages - this model is equipped with a sleeping function which lets you take a rest in your preferable position while best quality materials used to design the seat make it extraordinarily comfortable in any position.

What makes the Carmen sofa stand out?

They make the seat more flexible and provide excellent underlying support for a highly flexible foam layer.

The highly-flexible foam improves the durability and elasticity of the seat, preventing deformations.

The ergonomic and comfortable design of the backrest and seat perfectly fits the curve of the human body.

The series comes with several colours of legs. Choose your own colour. Do you want to buy the same legs for a chest of drawers? Of course, you can!

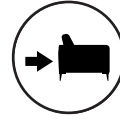

Bedding container

Bonnell Spring

You can choose the fabric from dedicated series, including easy-to-clean fabrics.

The upholstered back allows you to put it in the middle of the living room.
